2019 COMPUTER GRAPHICS JOB FAIR

Corporate Sponsor
Information Package

UTCG

**UNIVERSITY OF TORONTO
COMPUTER GRAPHICS CLUB**

WHY RECRUIT AT U OF T?
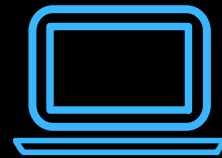

BAHEN CENTRE FOR INFORMATION TECHNOLOGY

THEORY

All students are trained in a rigorous program that is consistently ranked as the #1 computer science program in Canada

PRACTICE

Many students take summer internships and year-long PEY internships that give them the skills they need to succeed in your organization

INTEREST

U of T's Dynamic Graphics Project is a global leader in computer graphics research and the undergraduate Computer Graphics club is a quickly-growing campus club

CAMPUS PRESENCE

Building up a good reputation on university campuses is key to **recruiting the brightest interns and new graduates for your company**. Why not recruit at the **largest university in Canada**? The statistics that we have in this package are for computer science students, but talented students in engineering and other programs would also love to meet you and your team!

2490 UNDERGRADUATE CS STUDENTS*

458 GRADUATE CS STUDENTS*

*As of June 2019

Have ideas?

We want to make this event great for everyone involved. If you have any suggestions for what you'd like to see, please don't hesitate to contact us!

Details are subject to change. We will inform you of updates

LOGISTICS

ATTENDEES

We are expecting students mostly from computer science and engineering.

PREPARATIONS

Many companies bring a banner as well as information sheets for students to take home.

COSTS

$200 per table. This will include lunch for two representatives ($50 per additional representative) and one 6-foot table.

EVENT IMPACT

This event is not only a great way to recruit new hires for this year, but also an opportunity to get more students familiar with your organization and the awesome things you do! This is the first time U of T has hosted a CG-focused job fair and we would love to have you be a part of it.

Proceeds from this job fair will go toward maintaining the Computer Graphics club and **establishing a bursary** for undergraduate students to attend the **ACM SIGGRAPH conference**!
